MEMORANDUM OF CONVERSATION

25X1A

Present: Colonel White, Messrs. [REDACTED]

1. The DCI approved the Final Report of the Career Service Committee, adding to paragraph 1.a. of Tab H (The Honor Awards Program) the pencilled comment, "Not so obvious though, and I question whether there should be three grades". Colonel White ascertained from [REDACTED] by telephone that this comment was made personally by the DCI. 25X1A

2. It was agreed by those present that the presumed intent of the DCI was that the question of the name of the medal and whether there should be more than one grade should receive further study.

3. Since publication of the report of the Committee as approved by the DCI was already underway and since it was not feasible at this time to restudy and resubmit to the DCI the question raised by him, it was agreed to publish Tab H in revised form (see attached) so as to reflect the DCI's wishes and to make provision for further study of the problem which he raised.
